To every thing there is a season and a
time to every purpose under the heaven.
A time to be born, and a time to die; a
time to plant, and a time to pluck up
that which is planted; A time to kill,
and a time to heal; a time to break down,
and a time to build up; A time to weep,
and a time to laugh; a time to mourn,
and a time to dance; A time to cast
away stones, and a time to gather stones
together; a time to embrace, and a time
to refrain from embracing; A time to ga,
and a time to lose; a time to keep, and
a time to cast away; A time to rend, and
a time to sew; a time to keep silence,
and a time to speak; A time to love, and
a time to hate; a time of war, and a
time of peace.

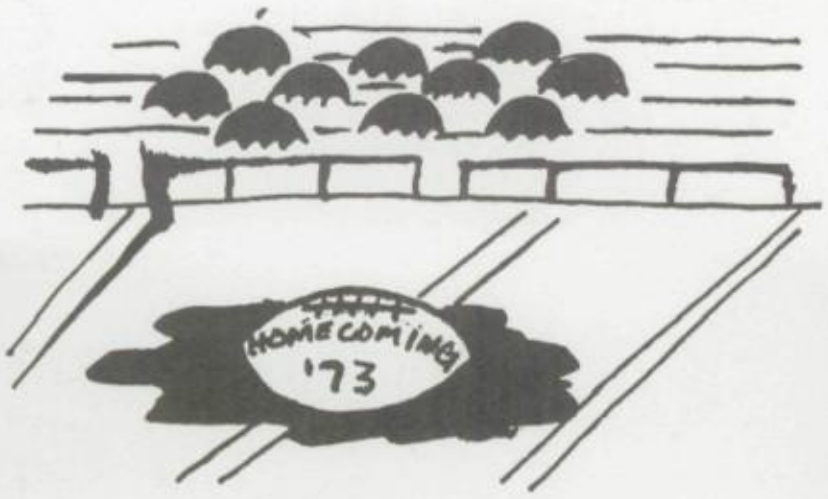
FALL



Homecoming 1973 — with the theme Spirit Spectacular '73 — was once again a rainy homecoming. Due to the rain, the half time activities were postponed until the dance. But the rain didn't dampen the enthusiasm displayed by the Squire fans. The Juniors won the float competition, and Dean Wendel became the second King in MHS history. Queen Sheila Wagner and her court were announced at the dance, along with the float winners. Damp trophies and soggy flowers were the prize for hard work and fun.

New ideas, new plays, and new practices . . . and a new spirit.

The new Benton spirit prevailed among players and fans during the 1973 football season. The Squire fans faithfully followed the gridiron squad, captivated by the spirit that came with the new Coach.

Along with that new spirit went two victories. The Squires creamed the Wildcats from Whitko, and surprised the Minutemen from Concord.

Coach Benton at the awards banquet said this about the senior members of the team, "These are undoubtedly the bravest boys I have had the opportunity to work with." Bravery, not measured by touchdowns but in effort and dedication.

Named to the Northern Lakes Conference 2nd team were Mark Ogden, offense and John Overholt, defense.

Dean Wendel, offense; Dave Burgess, defense; Mitch Overmyer, offense; and Kent Mishler, defense received honorable mention.

1974 Tennis and a "First" for MHS

The 1974 tennis team brought Manchester High School a first. In 1974 Janis Keim became the first female to seek competition through the Indiana High School Athletic Association.

Miss Keim, Dan Naragon, Bill White and Scott Leffel competed for positions 3, 4, and 5.

Although the team's overall season was not successful Coach Myer felt pleased with the improvement that the inexperienced team achieved by the end of the season.

Other members of the Squire netters included Tim Garner, Craig McBride, Bruce Farringer, John Fahs, Brent Smith, Steve Orpurt, and Billy Keim.

1974 Basketball brought a great deal of disappointment to a great number of people. The Squires walked away with only two victories for the season, but with some outstanding personal records which earned recognition.

The leading rebounders for '74 were Dave Clark with 161, Dean Wendel with 119 and Dan Hoffman with 78. Leaders in assists were Dan Hoffman with 29 Keven Clapp with 18 and Dean Wendel with 17.

As Coach Johnson stated at the awards banquet, "We can't dwell on the past, we fell short a number of times but this is still an outstanding group of men."

The 1973-74 cheerblock was a small but loud group. For the first time seniors wore red sweaters and buttons while underclassmen wore the traditional red vests. Cheerblock also worked with flash cards to spell victory messages and make flashy designs. The beginning of the season saw a rather large group of guys band together, but after being forbidden to yell their favorites, the guys dwindled.

Manchester's young wrestling team did very well this year. Only two seniors were included in the Matmen roster, Scott Eberly and Mark Ogden. That leaves nine returning lettermen making the outlook for '75 bright.

This years success can be accounted for by the 100% dedication put forth by every member.

As stated by Coach Benton, "Regardless of win or loss, every boy gave his 100% effort and that makes him a champion."

Mat maids, headed by Peggy Frieden and Shirley Haupert, were added to the wrestling program this year. Many thanks go out to them for their fine help.

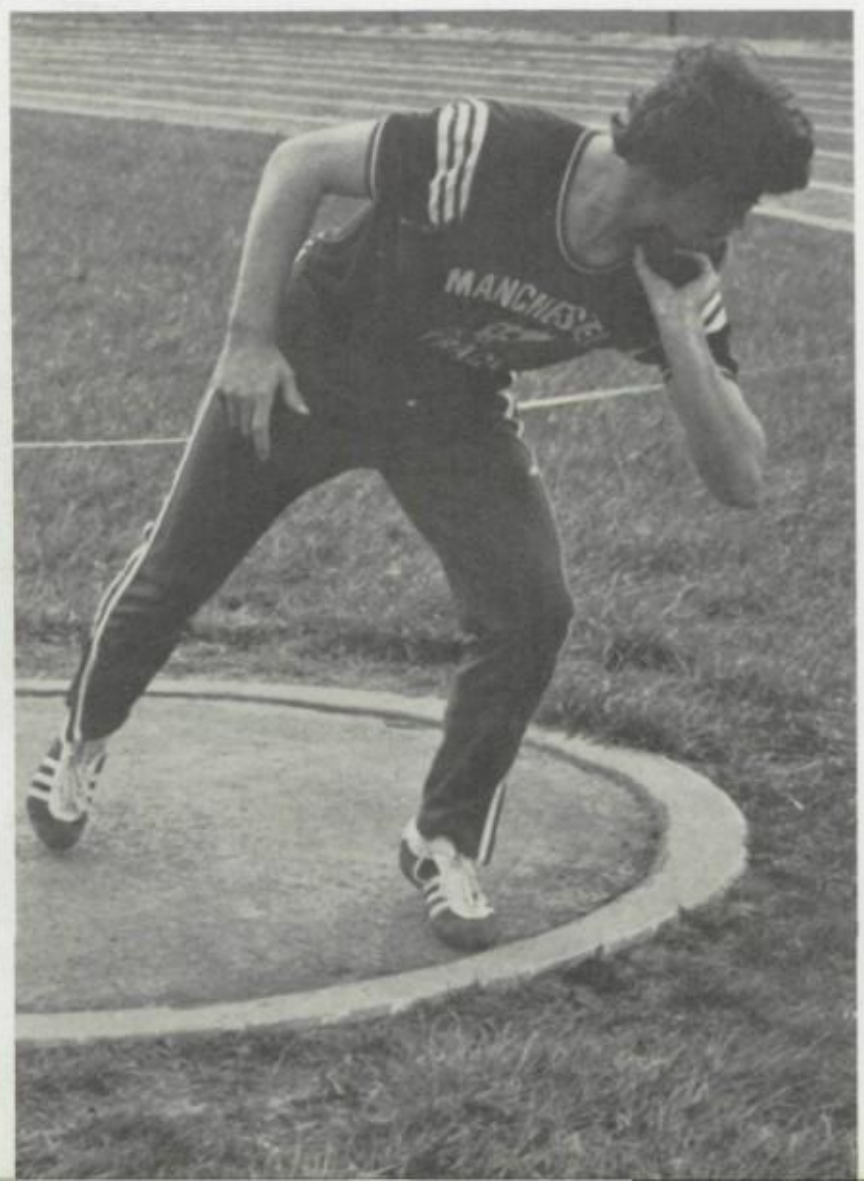
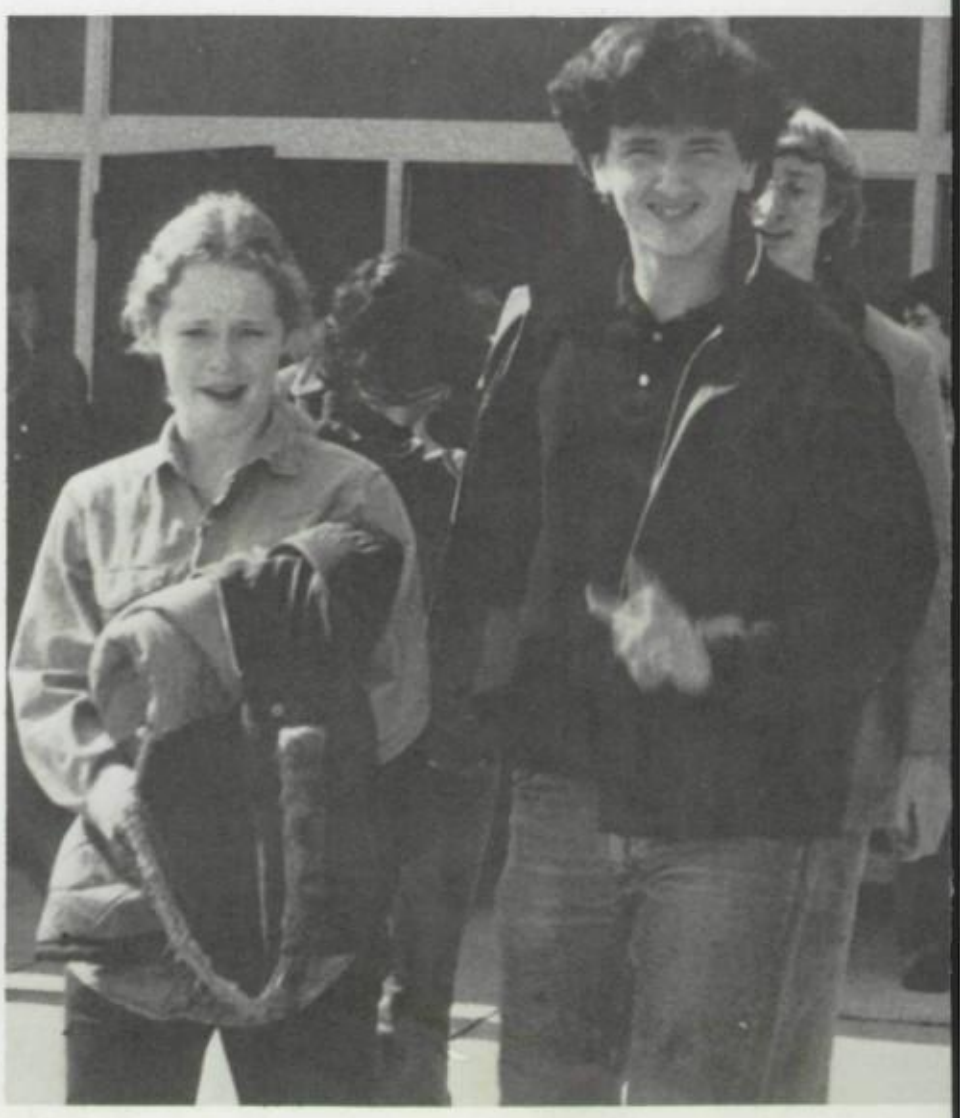
Spring will never come soon enough and it will never last long enough. But one of the nicest things about life in our world is that it always comes.

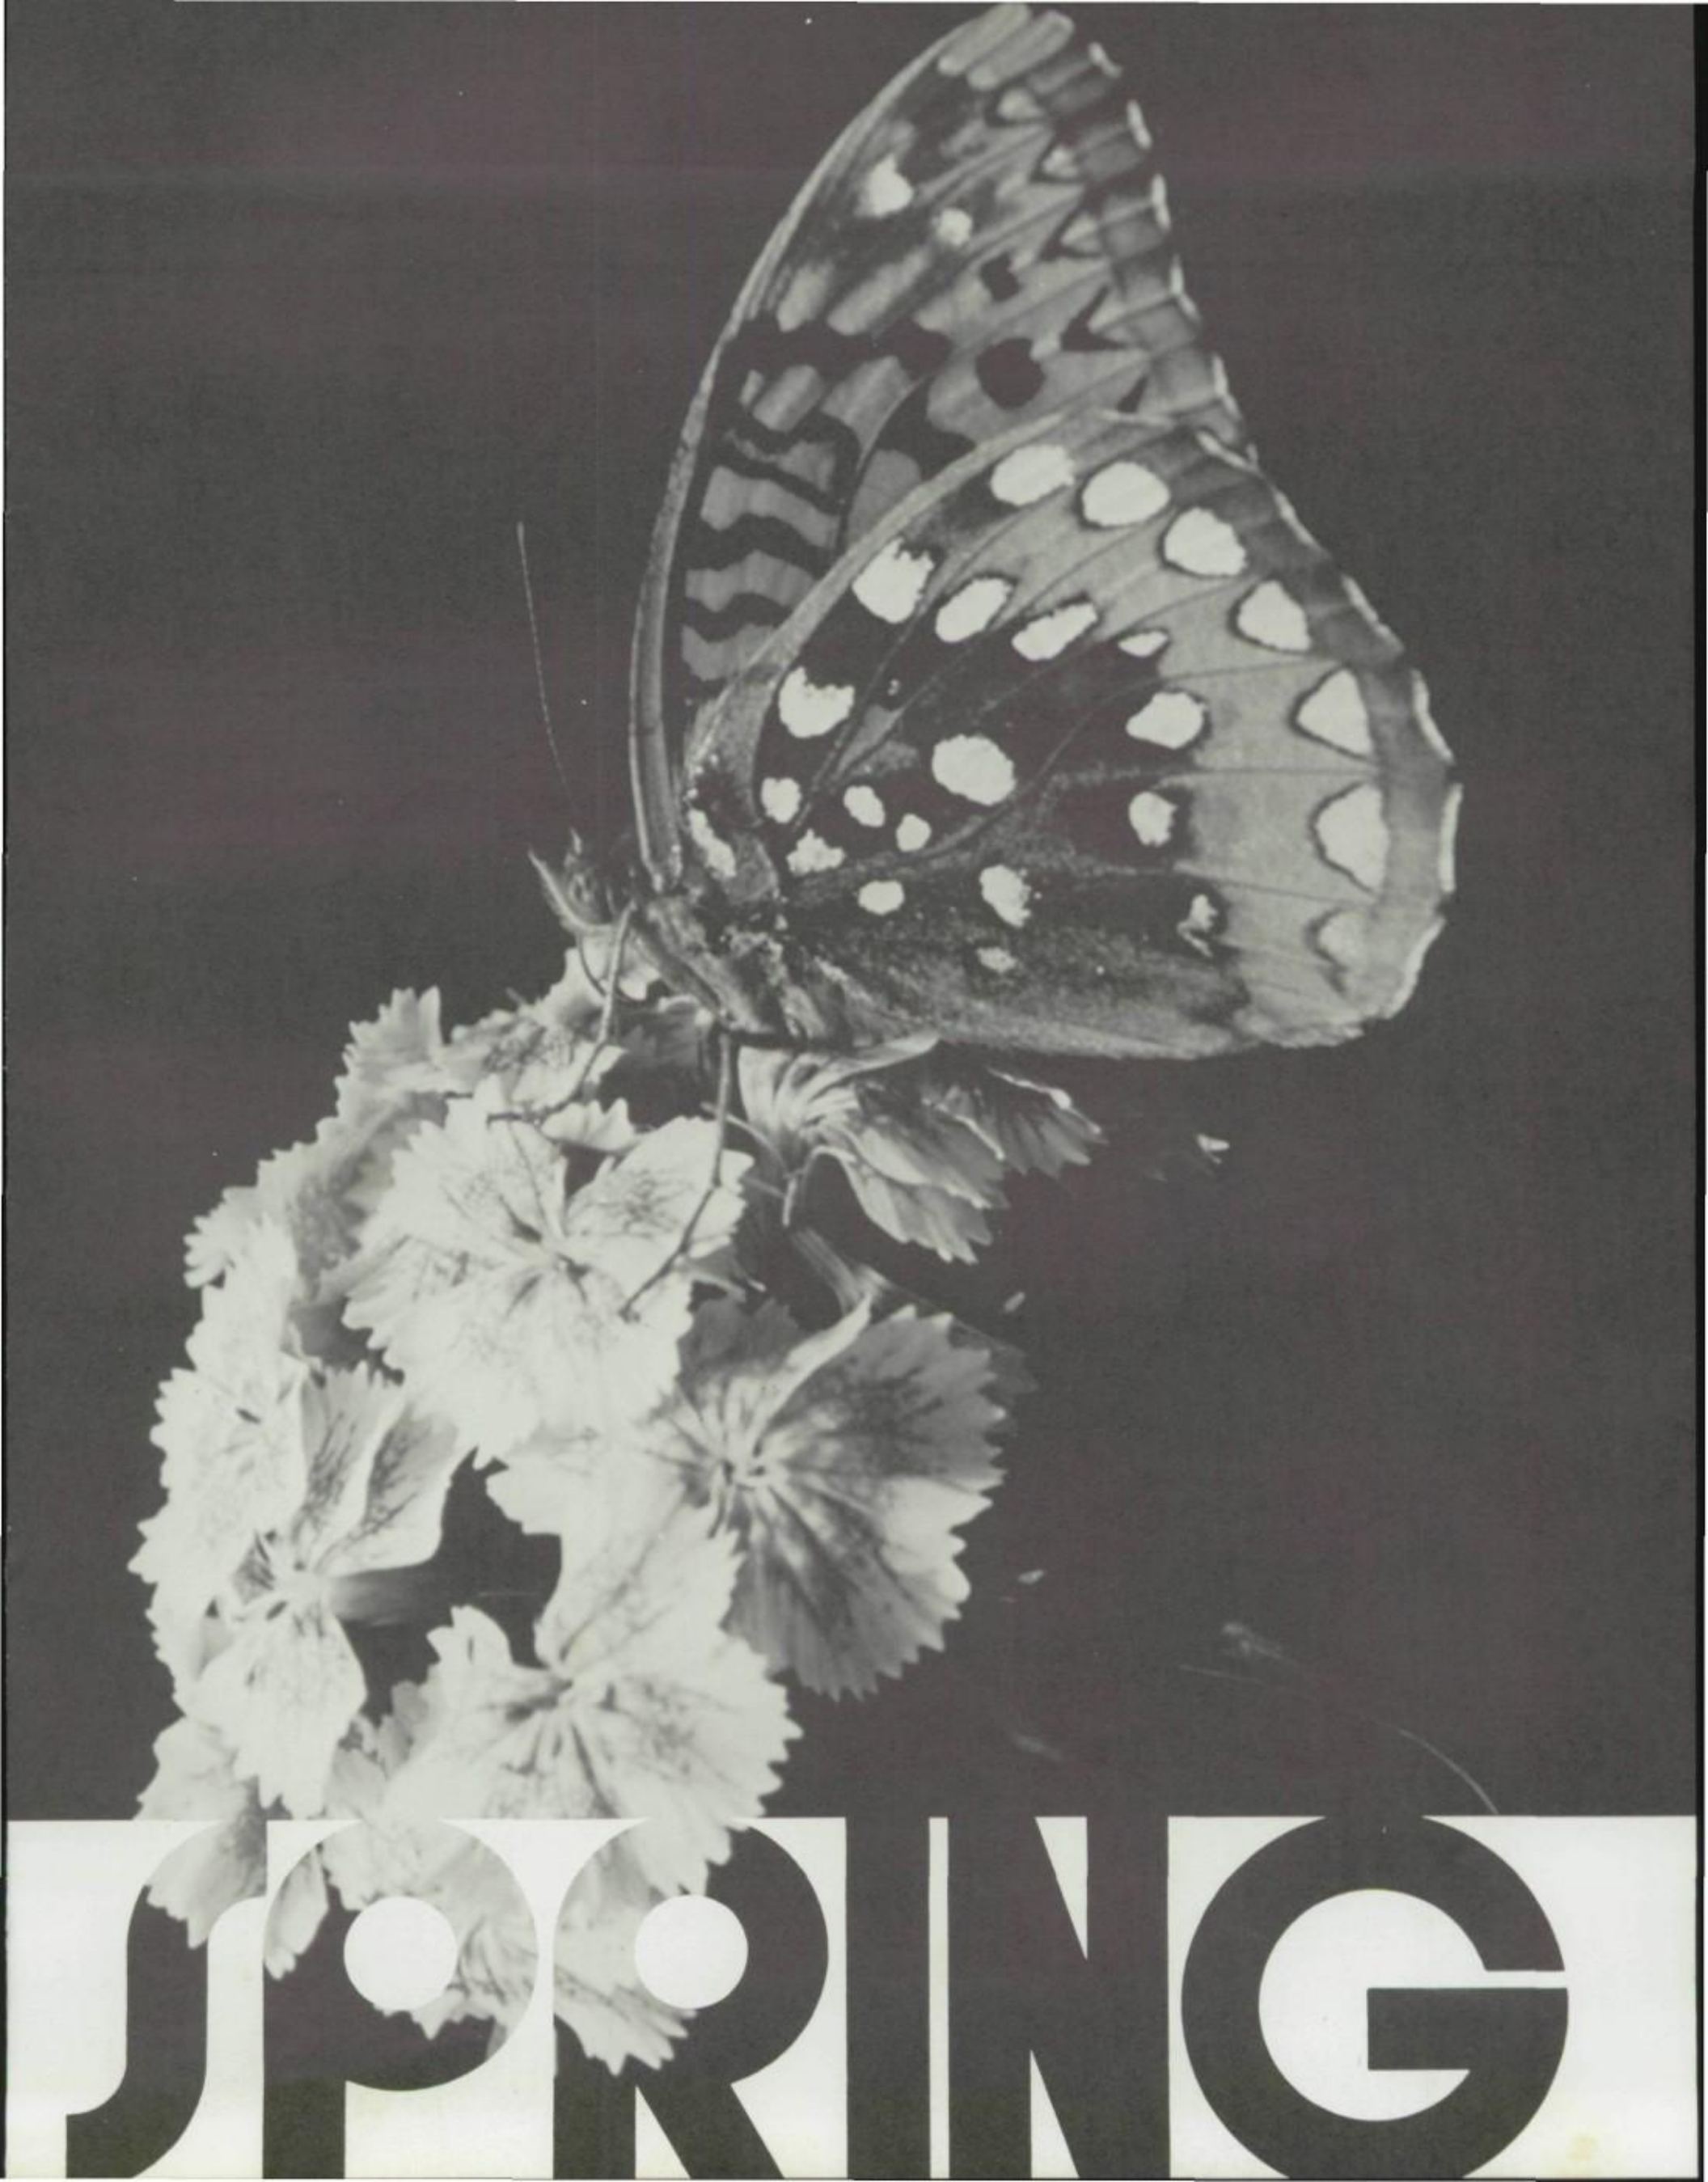
Playful winds cajole away the lingering dreds of winter and reawaken nature and humanity alike into new life and color.

Spring works in a person from the inside out, penetrating his soul and calling forth those forces which make sharing a vital part of life.

Spring is for lovers — lovers of life; lovers of life in our world.







SPRING

April Showers Bring May Flowers

The headline above was the theme of our 1974 Prom, which was sponsored by Community Service. General chairmen of the event were Margie McBride and Jeff Freeman. Peggy Frieden was in charge of decorations. The entranceway was decorated with blue and silver streamers, with raindrops suspended from the ceiling. There was also a fountain with colored lights. The gym was decorated with blue, yellow, pink, and green streamers, with birds, bees, and butterflies hanging from the ceiling. The stage was decorated with balloons. Music was furnished by "Rainbow" from Muncie. The prom was from 8-12:00. Over 300 people attended the prom.

The 1974 squire track team was very young. Although not posting a winning record, the squires had many excellent performances and gained much experience. Hard work paid off by producing personal records for almost everyone involved. The squires had some of the top individuals in this area and overall the team was a success.

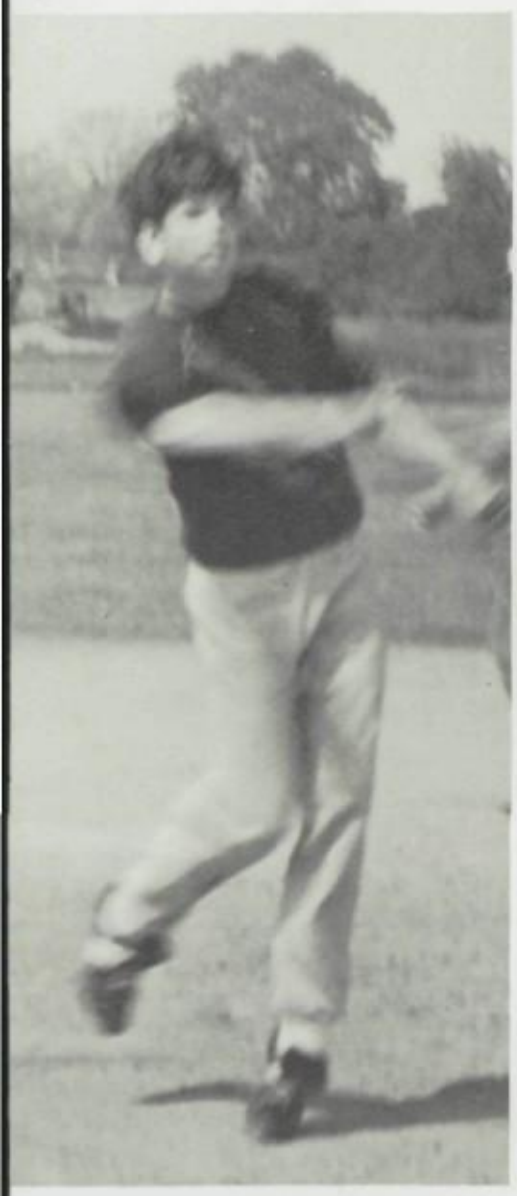
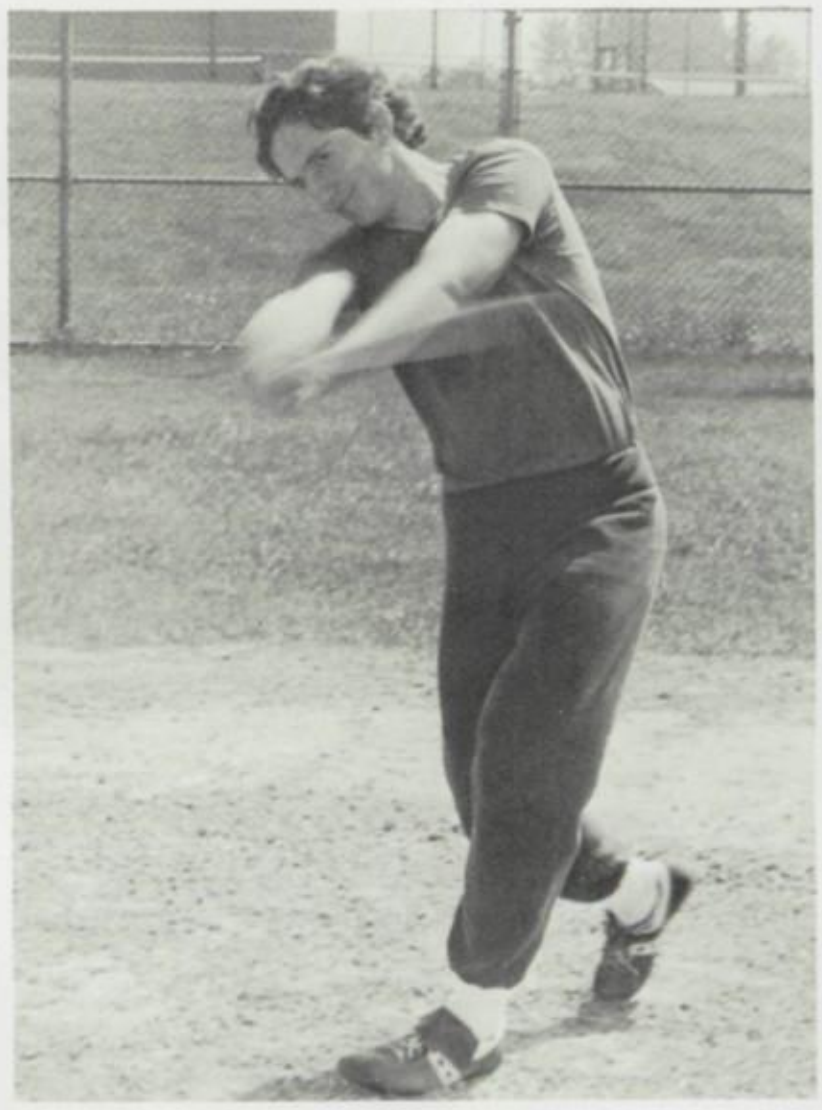
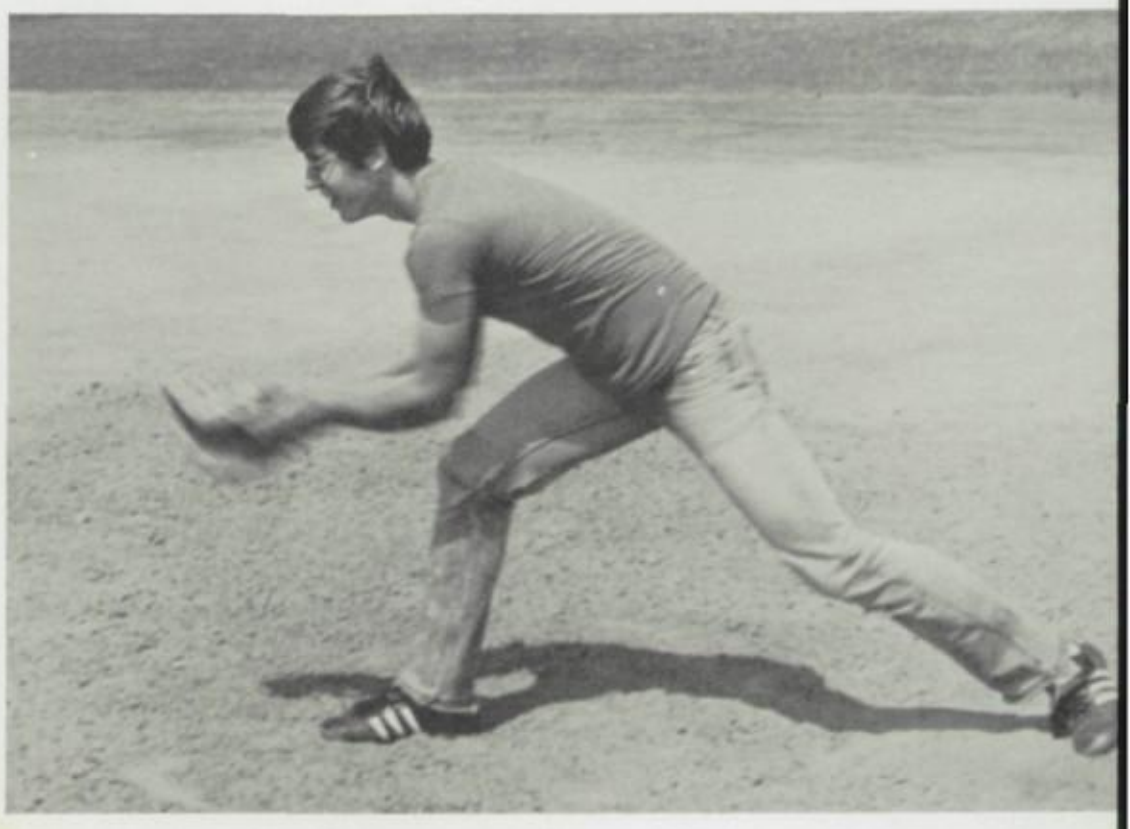
The Manchester High School Baseball Squires are really looking forward to the 1974 Baseball season. Last year the Squires finished the season one short of .500 ball with a season record of 13 wins and 14 losses. In the NLC the Squires were 6 and 8. This season the Squires expect to improve in that record. At this writing the record is 7 wins and 3 losses and the sectional is just around the corner. A big goal for the Squire is to win the sectional and advance to Regional play at Cass H.S.

Another Squire goal is the NLC Championship and to win 22 games on our top notch schedule. Only time will tell if these goals are achieved. One of the top pitches in Squire history will finish his season this year, Mitch Overmyer. Also lost for next year are fielders Barry Conrad and Dean Wendel, out fielder Kevin Lochner and pitcher Greg Cussen. These fellows will be missed, but hopefully others will replace.

In Slow Motion







Life, so they say, — is but a game — and they let it slip away.
Love, like — the Autumn — sun, — should be dying but it's only just begun.
Like the twilight in the road up ahead — they don't see just where
we're goin', and all the secrets in the universe — whisper in our
ears and all the years will come and go and take us up, always-up.
We may never pass this way again —
Dreams, so they say — are for the fools — and they let them drift away.
Peace, like — the silent — dove, should be flyin' but it's only just begun
Like Columbus in the olden— days — we must gather all our courage,
sail our ships out on the open sea — cast away our fears and all the
years will come and go take us up, always up.
We may never pass this way again —
So, I wanna laugh — while the laughin' is easy, I wanna cry — if it makes
it worthwhile. I may never pass this way again — that's why I want it
with you. 'Cause, you make me feel — like I'm more than a friend,
like I'm the journey and you're the journey's end. I may never pass this
way again — that's why I want it with you.

FBLA 1974 — Initiations, meetings, field trips and a wild convention

Manchester High School's chapter of the Future Business Leaders of America has been very active this year with initiation and field trips. The FBLA State secretary Martha Spencer, has attended FBLA State officers meetings held in Indianapolis periodically throughout the year. At the state convention this year Manchester High School won the award for the best local chapter exhibit, second place in the highest chapter membership division, and Jeff Freeman won second place in the Spelling contest.

FTA

How did you spend last summer? If you were a member of our Health Careers Club, you often found your time occupied working at the Wabash Hospital as a candystriper on week-ends. As the school year began, our obligations became greater. Some of our members work in the Nurse's office during the school day. Believe me, it's no easy task deciding what to do with some of you — when you walk in from Chemistry II "mishaps" or you're just "sick of class". We also participate in a Christmas program for the State Hospital in Logansport, Brush-Ins for our community schools, and have representation in Red Cross.

Science

Manchester's 1974 FFA had several projects. The officers were Alan Stouffer Pres., Thom Reed Vice, Brent McDonald Sec., Randy Sparrow Reporter. Main projects were the garden seed and the Christmas tree sales. The biggest project was the land they farmed — 60 acres planted — mostly of corn and soybeans.

The Science minded students composing the science Club this year had a very timely occurence to discuss. The comet Kohoutek provided an interesting phenomenon to talk about. A different interesting topic was discussed at each meeting such as soil conservation, aging diseases, Sky Lab and the Science fair.

The Key Club once again lived up to it's name as a 'service' club by providing services to the school, community and neighboring towns. The Key Club is composed of young men willing to pitch in and help other people. Just a few of their accomplishments are; providing a movie for the high school; helping with the tornado victims in Rochester; holding dances; refereeing grade school basketball games and many other helpful enterprises. Key Club is not all work though ... members can attend a three day convention and find out what all Key Club has to offer. The work is made enjoyable by knowing that you are helping someone and upholding the Key Club ideal.

National Honor Society has become a tradition at MHS. It is a tradition that most students and teachers have come to recognize as a system of honoring students who have achieved in scholarship, leadership, service and character.

The induction of new members **(Above)** was changed to an evening ceremony making it a memorable event for everybody who attended. This years induction was highlighted by Dr. A. Blair Helman as guest speaker.

Though it changes, NHS has continued to fullfill its purpose in honoring those who have excelled.

1974 — MR. SWAN'S EIGHTH AND LAST YEAR TO SERVE COMMUNITY

Manchester's Industrial Arts department had a successful year in '74 by going to the State convention for the 3rd consecutive year and winning great recognition. This is the last year under the supervision of W. A. Swan. At age sixty five Mr. Swan is retiring after eight years of service to the community. During those eight years he has supervised the making of many fine pieces of furniture, staying nights so that students could make those projects that required more time than school hours permitted.

Speech

1973-74 MHS speech team ended this year with another Sectional victory. Morale hit an all-time high that Sectional week as all the hard work all year finally paid off. 22 speakers advanced to the Regional at Fort Wayne Elmhurst H.S., and 7 went on to the State tournament in Logansport, Indiana. MHS speakers participated in 19 tournaments during the months October thru April, and placed in the top five at 12. A particularly proud placing was the 2nd place at the C.I.F.L. tourney, having 3 speakers making the first, 3 the 2nd, and 2 the 3rd all-conference teams for Central Indiana. Chalk up another successful year for the Manchester High School Speech Team!

The troupe, an honorary organization, requires interested persons to work 100 hours before becoming a member. Every year the troupe gives a "Best Thespian" award to the senior girl and boy who have the most hours. This year, Martha Spencer and Jeff Freeman received the awards.

Crest & Scroll — Reporting, Editing, Creating and Remembering

An organization that writes, proofreads, types, and publishes a school newspaper is the Scroll. This all takes time, and the Scroll staff is always busy. The editor for the 1973-74 term was Renee Wright, and the sponsor was Mr. Jones. Highlight of the year was the first Scroll dance, run by Dave McGowan and Steve Morrisey.

Scroll also added a little humor to the paper with a feature entitled "Dear Blabby" that was well liked and enjoyed by the students.

To sum it all up, Scroll had a great staff, editor, and sponsor that all believed in change and made it possible.

Color; First year to sell ads; New larger size pages; Largest amount of pages; Loss of Academic and faculty sections; Addition of Current Event section, Seasonal sections and the Fine Arts section.

Headed by Patty Strauss, Tim Garner and Pam Snyder these things were speculated. With the help of a few faithful workers, Mr. Jones, sponsor and Mr. Arthur, rep they were carried out in the 1974 Crest.

French & Spanish Clubs

Students that want to learn more about France and it's customs make up French club. They became involved in many activities and obtained extra information that they couldn't get in the classroom. Cristine Saramito, our French exchange student, gave a very interesting talk about life in France and her experiences in the U. S.

The parties, pinatas, songs banquet and a Homecoming float were some of the activities that Spanish Club members found themselves in the midst of this year. The goal of the Spanish Club is to help students have fun, while learning of the culture and customs of Spanish-speaking persons.

Sunshine was busy in 1974. They visited Riley Hospital in Indianapolis for their annual field trip, they attended the President's and Sponsor's luncheon in Indianapolis, and they entertained at Peabody Home.

Each year Sunshine sell candy. The winners for this year's candy sales were: 1st Debra Underwood, 2nd Janis Keim, 3rd Chris Merritt, 4th Wanda Betten. The prizes were a stereo set, a radio, a tape recorder, and a wrist watch. Each winner chose the prize that she wanted. Each Sunshine member who sold $30 worth of candy received a tee-shirt.

The Sunshine and their Ideal Ladies enjoyed an afternoon of fellowship at the Ideal Ladies Tea.

The Manchester High School Marching Band and Concert Band have achieved many of the goals we set last year. The Marching Band traveled to many parts of the state where we received high place awards. The Band also put in a lot of time working on half time shows. The Pep Band paced the b-ball team. The Concert Band was given a superior rating.

The Band participated in the Six Flags Over the Midwest America Band Contest in St. Louis. This National contest awarded MHS a second place rating. This year the Band got rid of its old way of awarding its members and started a new award called the Director's Award.

The Squirettes decreased in number this year. It was felt that with a smaller number, the routines could be harder and there would be more time to work with less confusion.

The Squirettes marched in many parades this summer. Half of the Squirettes carried pom-pons and the other half carried flags, which was an addition to the routines this year.

EVERYTHING WE DO IS MUSIC EVERYWHERE IS THE BEST SEAT

What is that melodious sound coming from room D114? Why, it's no doubt one of the four choral organizations of MHS. Directed by Mrs. Carol Davis, the choirs have a receipe of lots of hard work, seasoned with fun, to make them successful.

Girls Chorus, **Front Row,** Terri Pontius, Tracy Moody, Jeri Benton. **Row 2,** Julie Roser, DeAnn Royer. **Row 3,** Jenny Walters, Lynn Davis, Jane Pottenger.

Not Pictured Robin Crist, Brian Wagner.

The mixed chorus and girl's chorus provide music for concerts, convos, and festivals during the year. The two swing choirs add the spice to the choral department and are constantly in demand for community club entertainment. This year the swing choir received a superior rating at the state swing choir contest and many other choral students received superior ratings at both district and state solo and ensemble contests. Several of the soloists and ensembles such as the barbershop quartets, add flavor to choral programs.

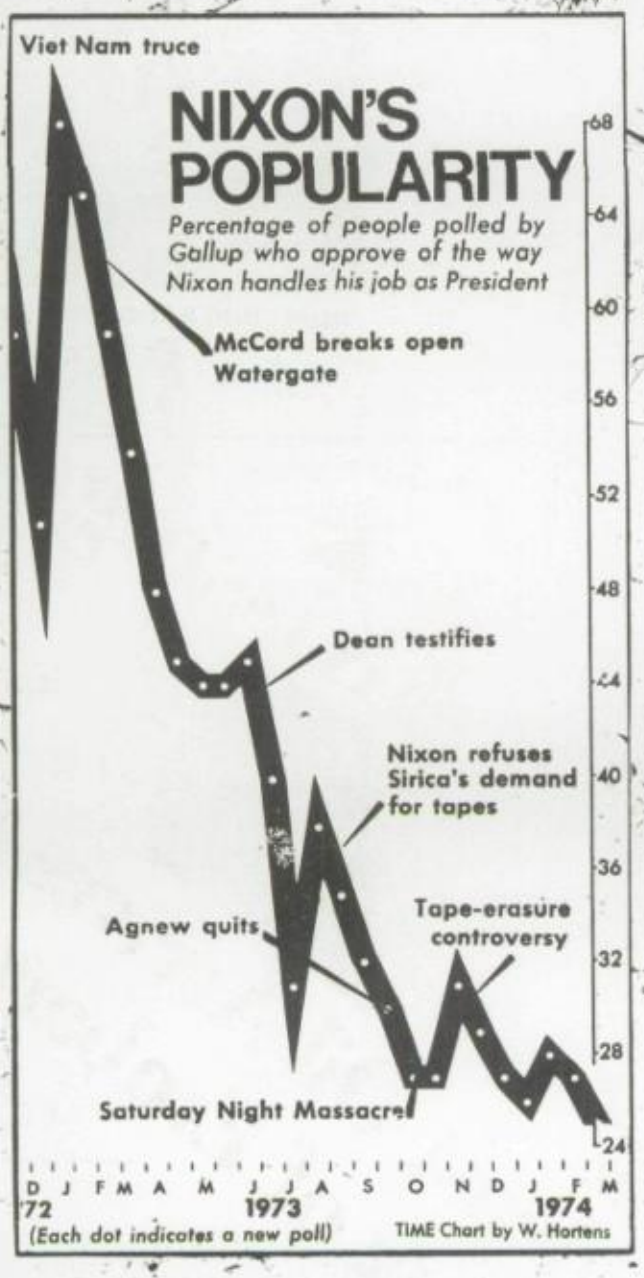
The high school is not separate from the rest of the world. And high school students are not oblivious to World Events. On April 23, 1974 the Crest Staff investigated (through a Survey) student opinions on the most current issues, Nixon; Energy Crisis; Legalization of Marijuana and Sporting Events. The results of that survey appear on the following pages.

PEOPLE

Another Gallows Nail

As long as the Watergate investigation is ex-nding to cover everything that might conceivably ve gone wrong anywhere, any time, that could connected by the wildest stretch of logic to the reer of Richard M. Nixon, how about charging President with lying when he told members of press, after his 1962 California governorship feat, "You guys won't have Richard Nixon to k around anymore"?



Nixon's Taxes: "A Shocker"

Another big bombshell is about to go off under the President. The Congressional Joint Committee on Internal Revenue Taxation, which Nixon asked to look into two questionable tax entries that he had made on his returns for 1969 and 1970, is expected to release its preliminary report late this week or next week. Says one senior Senator on the committee: "It will be a shocker."

Sir / Anybody can find something dishonest about any person's life. Why don't you do research on Sam Ervin's life and find out about the time he accepted candy from his aunt. Who is to distinguish between a bribe and a gift?

Even if the accusations you report turn out to be true, that happened a long time ago and people do change.

First Mideast Oil Arrives Since Lifting of Embargo

From AP And UPI

Washington — The Federal Energy Office said yesterday the first major shipment of Mideast oil has reached the United States since the lifting of the Arab oil embargo.

The shipment arrived Monday night at the port of Norfolk, Va., the FEO said.

Relying on its newly instituted Petroleum Import Reporting System (PIRS), the FEO was told by the U.S. Customs Service that the Italian tanker Elba Lolligeiti carried a cargo of 344,000 barrels of crude from Algeria.

Five-Minute Massacre

"I am not a violent man."
—George Foreman

For a time last week Ken Norton might almost have believed that. Heavyweight Champion Foreman certainly seemed to be going out of his way to avoid a fight. The scene was Caracas, where Norton and Foreman were supposed to be preparing for a title bout. Foreman, though, was doing a lot more posturing and protesting than preparing.

In the 14 months since he had rendered Joe Frazier defenseless and bereft of the title, Foreman had defended the championship just once—and that was against the obscure Joe Roman of Puerto Rico. Out of the ring Foreman had almost been TKOed himself by a flurry of personal and financial blows. Now, on the eve and even the day of his fight against a serious challenger, Foreman was threatening to be a no-show.

The Defection Deal

"How much would it cost the World Football League to sign Larry Csonka, Jim Kiick and Paul Warfield?" Ed Keating, who is business representative for the three players, was so startled he nearly dropped his fork. Then he decided the question was not entirely frivolous. After all, it had been asked by his associate at the Cleveland firm International Management Inc., a man who had recently been negotiating a TV contract for the W.F.L. Keating took his mind off his lunch for a moment and calculated the value of his prize clients. He scribbled figures totaling $2.7 million on his napkin and held it up for his colleague to see. "You're kidding!" was the response. Keating pocketed his impromptu price tag and put the "ridiculous idea" out of mind.

SEARCHING

I drove happy pink rivers to find you
And when the mellow flaming sun

upon the trickling emerald grass,
in a pearly silver moonbeam,
waiting.

I was going to cross the sideway and walk on the street
going to brush my lips and paint my teeth
and talk about people's reform before prison reform.
I was going to light my match with my cigarette, going
to watch flowers instead of picking them up
and talk about contraception before abortion.
I was going to spend my days before saving them
going to put some sugar in my soup and salt my peaches
and love life before having a child.
I remember first they laughed then smiled
and finally
shouted at me
They put me in a jail with a glass of holy water
and the constitution.
They taught me right from wrong. I learned to shut up
to be responsible. They showed me a priest

in chorus my condemnation when I kept talking of peace

I recognize to war a reason to exist.

Moving With the Times — Girls Athletics Arise to a New Greatness at MHS.

The GAA program expanded this year in the physical sense and in the eyes of the community. Participating members benefited by learning how to win, how to lose, and most of all how to compete.

Manchester's successful girl's golf team placed first in the girls IHSAA golf sectional; then moved on to place 9th in the state.

Clare Olinger and Kathy Mort were section winners in their own gymnastic events.

The entire gymnastic team, which was MHS's largest, achieved high marks all season.

Coached by Mr. Myer, the A and B basketball teams had successful seasons with records of 10-3, 5-4 respectively. Basketball awards were earned by Janis Keim — Highest % Free Throws; Nancy Hoover — Most Rebounds; and Sandy Amiss and Kathy Werking — Best Mental Attitude.

The tennis team's season coached both by Mrs. Kester and Mr. Myer was also a success.

All the teams added together formed a very successful GAA.
